KARATAY TOKI ANATOLIAN HIGH SCHOOL

“Come, come, whoever you are. Wanderer, worshipper, lover of leaving. Ours is not a caravan of despair. Even if you have broken your vows a thousand times. It doesn't matter. Come, come yet again, come” *Mevlana Jalaluddin Rumi*

THE CAPITAL OF HUMANISM, KONYA

Konya which was also the capital city of the Seljuks has a great tourism potential with worldwide famous personalities such as Mevlana and Nasreddin Hodja.

Konya has been a stage for a variety of civilizations and has the traces of a history which dates back to BC 7000. It has a rich historical inheritance with its city centre which is like an open-air museum, countryside, historical and natural sites.

Konya is one of the most prominent metropolitan cities in Turkey with its 4 universities. It presents all social possibilities to its students with shopping and leisure centres.

KARATAY TOKI ANATOLIAN HIGH SCHOOL

Karatay Toki Anatolian High School has been proceeding education since 1989. All of our graduate students have a right to get a 4-year education in Turkey's most prestigious universities. Our graduates from different parts of the country or the world have been supporting our students both economically and morally while carrying the honour of being a KAL graduate.

Our school has been proceeding education with its 500 students, 41 managers and teachers, 24 classrooms, 3 Science Laboratory, Library, Computer Laboratory, Music Hall, Assembly Hall, Art Hall, Gym, Canteen and School Buses.

KARATAY TOKI ANATOLIAN HIGH SCHOOL

Karatay Toki Anatolian High School an average of 25 people the ideal one to one attention from teachers in classrooms for students who started a new day of training and education, and happiness with the privilege of being able to express themselves, are continuing their educations.

All practical lessons are given in Physics, Chemistry, Biology and Computer Laboratories equipped with the most modern tools at Karatay Toki Anatolian High School.

Our students receive a far better education than most of the other students in other parts of the country in classrooms that have projection equipments.

KARATAY TOKI ANATOLIAN HIGH SCHOOL

Students spend their free time in our peaceful and calm library environment by utilizing from rich sources.

KAL students represent their schools in the best way not only with their success in their school subjects but also running from success to success in social activities.

KARATAY TOKI ANATOLIAN HIGH SCHOOL

OUR MISSION

Departing from the reality that our biggest need is to have well grown up generations as 'The Great Turkish Nation', our mission is to grow generations who aim to reach Atatürk's idea of Great Turkey, adopting the national and moral values in addition to the technical hardware of our age.

OUR VISION

Our vision is to be an example of an education institute which takes science and technology as a guidance, thinks independantly, makes researches, is open to novelties, deals with the problems of our country and claims the ownership of our future, develops psychologically and physically healthy individuals.
